STATEMENT IN RELATION TO THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

1. INTRODUCTION

On 25 February 2025, the Board announced the Company's intention to seek the shareholders' approval for the Proposed Renewal of Share Buy-Back Authority. The existing authority for share buy-back, which was approved by the shareholders at the AGM of the Company held on 12 June 2024, shall in accordance with the Listing Requirements, lapse at the conclusion of the forthcoming AGM of the Company, unless renewal is obtained from the shareholders at the said AGM of the Company.

The purpose of this statement is to provide you with the relevant information in relation to the Proposed Renewal of Share Buy-Back Authority and to seek your approval for the ordinary resolution to be tabled at the forthcoming AGM of the Company.

2. PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

2.1 Details of the Proposed Renewal of Share Buy-Back Authority

The Board of Directors seeks the approval of the shareholders for the renewal of the authority to purchase or hold from time to time and at any time up to ten per centum (10%) of the total number of issued Shares. In compliance with Section 127 of the Act and any prevailing laws, rules, regulations, orders, guidelines, and requirements issued by the relevant authorities, Prestar is allowed to purchase its own shares on Bursa Malaysia Securities.

As at 3 April 2025, the total number of issued Shares was 360,589,156. As such, the maximum number of Prestar Shares that may be purchased and/or held by the Company will not be more than 36,058,915 Prestar Shares based on the total number of issued Shares as at 3 April 2025, the amount of which includes 1,521,131 treasury shares.

The authority from shareholders, if renewed, shall be effective upon the passing of the ordinary resolution for the Proposed Renewal of Share Buy-Back Authority until:

- (a) the conclusion of the next AGM of the Company following the general meeting, at which such resolution was passed, at which time it will lapse unless, by ordinary resolution passed at that meeting, the authority is renewed, either unconditionally or subject to conditions;
- (b) the expiration of the period within which the next AGM of the Company after that date is required by law to be held; or
- (c) revoked or varied by ordinary resolution passed by the shareholders of the Company in a general meeting,

whichever occurs first ("**Proposed Authorised Period**").

2.2 Sources of funds

The Proposed Renewal of Share Buy-Back Authority will allow the Board of Directors to exercise the power of the Company to purchase and/or hold its own shares at any time within the Proposed Authorised Period using the internal funds of the Company and/or external borrowings. The amount of internally generated funds and/or external borrowings to be utilised will only be determined later, depending on the availability of internally generated funds, the repayment capabilities, the actual number of Prestar Shares to be purchased, and other relevant cost factors. Based on the audited financial statements of Prestar Group for the financial year ended 31 December 2024, the Group has a net cash and cash equivalent of RM45,105,878.

The maximum amount of funds to be utilised for the Proposed Renewal of Share Buy-Back Authority shall not exceed the retained profits of the Company based on the latest audited and unaudited financial statements. Based on the latest audited financial statements of Prestar for the financial year ended 31 December 2024, the retained profits were RM25,965,240. In accordance with Section 127 of the Act and any prevailing laws, rules, regulations, orders, guidelines, and requirements issued by the relevant authorities, the number of Shares to be purchased and the timing of the purchase will depend on the market conditions, amount of funds and financial resources available to the Group.

2.3 Public shareholding spread

As at 3 April 2025, the public shareholding spread of the Company was 45.20%. The public shareholding spread is expected to be reduced to 42.82%, assuming the Proposed Renewal of Share Buy-Back Authority is implemented in full and all the Prestar Shares so purchased are cancelled. The Company will not undertake any share buy-back if that will result in the Company being in breach of Paragraph 8.02(1) of the Listing Requirements which requires the Company to maintain a shareholding spread of at least 25% of the total number of listed Shares (excluding treasury shares) or such lower percentage of shareholding spread as may be allowed by Bursa Malaysia Securities in the hands of public shareholders.

2.4 Treatment of purchased Shares

Section 127(4) of the Act allows the Company to cancel the purchased Shares and retain the purchased Shares as treasury shares or a combination of both. Shares that are purchased by the Company shall be deemed to be cancelled immediately upon purchase unless it is held in the treasury.

If such purchased Shares are held as treasury shares, the Board may:

- (a) distribute the Shares as share dividends to shareholders;
- (b) resell the Shares or any of the Shares in accordance with the relevant rules of Bursa Malaysia Securities;
- (c) transfer the Shares, or any of the Shares, for the purposes of or under an employees' share scheme or such other purpose as allowed under the Act;
- (d) transfer the Shares, or any of the Shares, as purchase consideration; or
- (e) cancel the Shares or any of the Shares.

If such purchased Shares are held as treasury shares, the rights attached to them as to voting, dividends, and participation in other distributions are suspended. In addition, the treasury shares shall not be taken into account in calculating the number or percentage of Shares or of a class of shares in the Company for any purpose including, without limiting the generality of the

provisions in the Act or the Listing Requirements on substantial and major shareholding, takeovers, notices, the requisitioning of meetings, the quorum for a meeting and the result of a vote on resolutions at a meeting of the shareholders.

Where treasury shares are distributed as share dividends, the costs of the Shares on the original purchase shall be applied to the reduction of the funds otherwise available for distribution as dividends.

Where the Shares so purchased are cancelled or to cancel any treasury shares, the costs of the Shares shall be applied in reducing the profits otherwise available for distribution as dividends. The issued capital of the Company shall be diminished by the Shares so cancelled.

The Prestar Shares purchased and retained by Prestar as treasury shares can only be resold at a price that is:

- (i) not less than the weighted average market price for the Prestar Shares for the five (5) Market Days immediately before the resale or transfer; or
- (ii) at a discount of not more than 5% to the weighted average market price for the Prestar Shares for the five (5) Market Days immediately before the resale or transfer, provided that:
 - (a) the resale or transfer takes place not earlier than thirty (30) days from the date of purchase; and
 - (b) the resale or transfer price is not less than the cost of purchase of the Prestar Shares being resold or transferred.

In accordance with Paragraph 12.26 of the Listing Requirements, Prestar may purchase its own shares in odd lots i.e., any number of its own shares which is less than the number of Shares prescribed by Bursa Malaysia Securities as a board lot through direct business transaction or in any other manner as may be approved by Bursa Malaysia Securities in accordance with such requirements as may be prescribed or imposed by Bursa Malaysia Securities.

2.5 Rationale for the Proposed Renewal of Share Buy-Back Authority

The Proposed Renewal of Share Buy-Back Authority is expected to potentially benefit the Company and its shareholders in the following manners:

- It will provide the Company with the option to return its surplus financial resources to its shareholders.
- The Company is expected to stabilise the supply and demand of the Shares in the open market, thereby supporting its fundamental values.
- If the purchased Shares are cancelled, it would enhance the EPS of the Company, and thereby, long-term and genuine investors are expected to enjoy a corresponding increase in the value of their investments in the Company.
- As permitted under Section 127(4) of the Act, the Shares bought back may be held as treasury shares and resold on Bursa Malaysia Securities with potential gain without affecting the total number of issued Shares. Alternatively, the Shares so purchased can be distributed as share dividends to reward the shareholders of the Company or be utilised as purchase consideration by the Company in corporate transactions such as the acquisition of lands/properties/assets, thereby reducing the financial outflow and/or preserving the working capital of the Company.

2.6 Potential advantages and disadvantages of the Proposed Renewal of Share Buy-Back Authority

The potential advantages of the Proposed Renewal of Share Buy-Back Authority to the Company and its shareholders are as follows:

- Allows the Company to take preventive measures against speculation, particularly when Prestar Shares are undervalued;
- It will reduce the effects of the volatile fluctuation of the prices of Shares in the share market as well as protect investors' confidence in Prestar; and
- Allows the Company flexibility in attaining its desired capital structure.

The potential disadvantages of the Proposed Renewal of Share Buy-Back Authority to the Company and its shareholders are as follows:

- It will reduce the financial resources of the Group and may result in the Group foregoing better investment opportunities that may emerge in the future; and
- As the Proposed Renewal of Share Buy-Back Authority can only be made out of retained profits of the Company, it may result in the reduction of financial resources available for distribution to shareholders in the immediate future.

Nevertheless, the Board of Directors will be mindful of the interests of Prestar and its shareholders in implementing the Proposed Renewal of Share Buy-Back Authority.

2.7 Effects of the Proposed Renewal of Share Buy-Back Authority

On the assumption that the Proposed Renewal of Share Buy-Back Authority is implemented in full by Prestar, the effects of the Proposed Renewal of Share Buy-Back Authority on the share capital, NA, working capital, and earnings of Prestar are set out below:

2.7.1 Share capital

The effect of the Proposed Renewal of Share Buy-Back Authority on the share capital of Prestar will depend on whether the Shares purchased are cancelled or retained as treasury shares.

In the event that all the Prestar Shares purchased are to be cancelled, the effect of the Proposed Renewal of Share Buy-Back Authority on the total number of issued Shares would be as follows:

| | No. of Prestar Shares | % |
|---|-----------------------|--------|
| Total number of issued Shares as at 3 April 2025 | (*) 360,589,156 | 100.00 |
| Less: Cancellation of all purchased Shares | (#) (16,521,131) | 4.58 |
| Total number of issued Shares upon completion of the Proposed Renewal of Share Buy-Back Authority | 344,068,025 | 95.42 |

Notes:

* The total number of issued Shares includes the treasury shares held by the Company. As at 3 April 2025, the number of Prestar Shares held as treasury shares was 1,521,131. None of them are cancelled.

The estimated maximum number of Prestar Shares that can be purchased in compliance with Paragraph 12.10(1) of the Listing Requirements and the Code. The number of Prestar Shares computed is based on retained profits of the Company as at 31 December 2024 net off existing costs of treasury shares held of RM725,083 and taking into account the five (5)-day weighted average market price of Prestar Shares for the period immediately before 3 April 2025 of RM0.38 per Prestar Share.

However, the Proposed Renewal of Share Buy-Back Authority will not have an effect on the total number of issued Shares if all the Prestar Shares purchased are to be retained as treasury shares, but the rights attached to them as to voting, dividends, and participation in other distributions and otherwise are suspended.

2.7.2 NA

The Proposed Renewal of Share Buy-Back Authority is likely to reduce the consolidated NA per share of the Group if the purchase price exceeds the NA per share of the Group at the time of purchase and conversely will increase the NA per share of the Group if the purchase price is less than the NA per share of the Group at the time of purchase.

If all the Prestar Shares purchased were cancelled, the Proposed Renewal of Share Buy-Back Authority would reduce the NA per share of the Group when the purchase price exceeds the NA per share of the Group at the relevant point in time, and vice versa.

For Shares so purchased that are kept as treasury shares, upon resale, the NA per share of the Group would increase, assuming that a gain has been realised or decrease if a loss is realised. If the treasury shares are distributed as share dividends, the NA of the Group would decrease by the cost of the treasury shares.

2.7.3 Working capital

The Proposed Renewal of Share Buy-Back Authority is likely to reduce the funds available for working capital purposes of the Group, the quantum of which will depend on the purchase price of the Shares, the actual number of Shares purchased, and any associated costs incurred in the purchase.

2.7.4 Earnings

The effect of the Proposed Renewal of Share Buy-Back Authority on the EPS of the Group would depend on the number of Shares purchased and the purchase price of the Shares. The effective reduction in the total number of issued Shares pursuant to the Proposed Renewal of Share Buy-Back Authority may generally, all else being equal, have a positive impact on the EPS of the Group.

2.8 Implications of the Code

Under the Code, a director and any person acting in concert with him/her or a relevant shareholder will be required to make a mandatory general offer for the remaining Shares not already owned by him/her/them if his/her/their stake in the Company is increased to beyond 33% or if his/her/their existing shareholding is between 33% and 50% and exceeds by another 2% in any six (6) months period.

It is the intention of Prestar to implement the Proposed Renewal of Share Buy-Back Authority in a manner that will not result in any of the shareholders of Prestar having to undertake a mandatory offer pursuant to the Code.

2.9 Purchases, resales, transfers, or cancellations of treasury shares made in the preceding twelve (12) months

Prestar had not purchased, resold, transferred, or cancelled any of Prestar Shares in the preceding twelve (12) months up to 3 April 2025.

As at 3 April 2025, the Company held a total of 1,521,131 treasury shares; none were resold, transferred, or cancelled in the preceding twelve (12) months up to 3 April 2025.

2.10 Historical Share prices

The monthly highest and lowest prices of Prestar Shares, as traded on Bursa Malaysia Securities for the last twelve (12) months from April 2024 to March 2025, are as follows:

| Month and Year | Highest RM | Lowest RM |
|----------------|------------|-----------|
| 2024 | | |
| April | 0.545 | 0.470 |
| May | 0.580 | 0.485 |
| June | 0.540 | 0.480 |
| July | 0.520 | 0.480 |
| August | 0.490 | 0.415 |
| September | 0.440 | 0.400 |
| October | 0.425 | 0.400 |
| November | 0.450 | 0.390 |
| December | 0.410 | 0.375 |
| | | |
| 2025 | | |
| January | 0.400 | 0.375 |
| February | 0.405 | 0.350 |
| March | 0.425 | 0.325 |

The last transacted price of Prestar Shares on 3 April 2025, being the latest practicable date prior to the date of printing of this statement, is RM0.355.

2.11 Directors' and Substantial Shareholders' shareholdings

Based on the registers of directors' and substantial shareholders' shareholdings as at 3 April 2025 and assuming that the Company acquires the maximum number of the Shares authorised under the Proposed Renewal of Share Buy-Back Authority from shareholders other than the Directors and Substantial Shareholders of the Company and that all the Shares so purchased and are fully cancelled, the effect of the Proposed Renewal of Share Buy-Back Authority on the shareholdings of the Directors and Substantial Shareholders of the Company are as follows:

| Director/ Substantial Shareholder | As at 3 April 2025 | | | | After the Proposed Renewal of Share Buy-Back Authority | | | |
|--------------------------------------|--------------------|-------|---------------------------|-------|--|-------|---------------------------|-------|

Dear Sir/Madam,

PROPOSED RENEWAL OF SHAREHOLDERS' MANDATE AND PROPOSED NEW SHAREHOLDERS' MANDATE

1. INTRODUCTION

On 25 February 2025, the Board announced the Company's intention to seek the shareholders' approval for the Proposed Renewal of Shareholders' Mandate and Proposed New Shareholders' Mandate. The existing authority for the Shareholders' Mandate which was approved by the shareholders at the AGM of the Company held on 12 June 2024, shall in accordance with the Listing Requirements, lapse at the conclusion of the forthcoming Fortieth ("40th") AGM of the Company, unless renewal is obtained from the shareholders of Prestar at the said AGM of the Company.

The purpose of this circular to shareholders is to provide you with the relevant information in relation to the Proposed Renewal of Shareholders' Mandate and Proposed New Shareholders' Mandate and to seek your approval for the ordinary resolutions to be tabled at the forthcoming AGM of the Company.

You are advised to read and carefully consider the contents of this circular to shareholders together with the appendix contained herein before voting on the resolutions pertaining to the Proposed Renewal of Shareholders' Mandate and Proposed New Shareholders' Mandate to be tabled at the forthcoming AGM of the Company.

2. PROPOSED RENEWAL OF SHAREHOLDERS' MANDATE AND PROPOSED NEW SHAREHOLDERS' MANDATE

2.1 Details of the Proposed Renewal of Shareholders' Mandate and Proposed New Shareholders' Mandate

At the Company's AGM held on 12 June 2024, the Company obtained the Shareholders' Mandate. The Shareholders' Mandate shall, in accordance with the Listing Requirements, lapse at the conclusion of the forthcoming AGM of the Company, which has been scheduled to be held on 18 June 2025, unless the approval is renewed.

Prestar is seeking approval from the shareholders for the Proposed Renewal of Shareholders' Mandate and Proposed New Shareholders' Mandate which will allow Prestar Group, in their normal course of business, to enter into the categories of Recurrent Related Party Transactions referred to in the ensuing sections provided that such transactions are made at arms' length basis and based on Prestar Group's normal commercial terms which are not more favourable to the Related Parties than those generally available to the public and not detrimental to the minority shareholders.

Pursuant to Paragraph 10.09(2) of the Listing Requirements, the Company may seek a mandate from its shareholders for Recurrent Related Party Transactions subject to the following:

- (i) the transactions are in the ordinary course of business and are on terms not more favourable to the Related Party than those generally available to the public;
- (ii) the shareholders' mandate is subject to annual renewal and disclosure is made in the annual report of the aggregate value of transactions conducted pursuant to the shareholders' mandate during the financial year where the aggregate value is equal to or more than the threshold prescribed under Paragraph 10.09(1) of the Listing Requirements;
- (iii) the Company's circular to shareholders for the shareholders' mandate includes the information as may be prescribed by Bursa Malaysia Securities. The draft circular to shareholders must be submitted to Bursa Malaysia Securities together with a checklist showing compliance with such information;
- (iv) in a meeting to obtain shareholders' mandate, the relevant Related Party must comply with the requirements set out in Paragraph 10.08(7) of the Listing Requirements; and
- (v) the Company immediately announces to Bursa Malaysia Securities when the actual value of a Recurrent Related Party Transactions entered into by the Company, exceeds the estimated value of the Recurrent Related Party Transactions disclosed in the circular to shareholders by 10% or more and must include the information as may be prescribed by Bursa Malaysia Securities in its announcement.

It is likely that such transactions will occur with some degree of frequency and could arise at any time.

In view of the time-sensitive, confidential and frequent nature of such Recurrent Related Party Transactions, the Board of Directors is seeking shareholders' approval for the Group to enter into Recurrent Related Party Transactions in the normal course of business within the classes of Related Parties as set out in Section 2.3.1, provided that such transactions are entered into at arm's length basis on the transaction price and on normal commercial terms which are not more favourable to the Related Parties than those generally available to the public and which will not

be to the detriment of the minority shareholders. The Recurrent Related Party Transactions will also be subject to the review procedures set out in Section 2.8.

The Proposed Renewal of Shareholders' Mandate and Proposed New Shareholders' Mandate are subject to annual renewal. The Proposed Renewal of Shareholders' Mandate and Proposed New Shareholders' Mandate, if approved, will take effect from the date of the passing of the ordinary resolutions proposed at the forthcoming AGM of the Company and shall apply until:

- (c) revoked or varied by a resolution passed by the shareholders of Prestar in a general meeting,

whichever is the earlier.

The Proposed Renewal of Shareholders' Mandate and Proposed New Shareholders' Mandate shall apply in respect of the Recurrent Related Party Transactions entered as stipulated in the ensuing sections. Thereafter, if the Board of Directors decides that the Proposed Renewal of Shareholders' Mandate and Proposed New Shareholders' Mandate sought herein is desirable, shareholders' approval for such renewal will be sought at each subsequent AGM of the Company.

[@] There is an option to renew the tenancy agreement for two (2) years from the expiry date.

2.4 Outstanding Recurrent Related Party Transactions receivables

No amount is due and owing to the Group by its Related Parties pursuant to the Recurrent Related Party Transactions; the disclosure as required under Paragraphs 16A and 16B in the Annexure PN12-A of the Listing Requirements is not applicable.

2.5 Rationale for and benefit to Prestar of the Proposed Renewal of Shareholders' Mandate and Proposed New Shareholders' Mandate

The Recurrent Related Party Transactions entered or to be entered into by the Group with respect to which the Proposed Renewal of Shareholders' Mandate and Proposed New Shareholders' Mandate are sought, are those which will be carried out in the ordinary course of business and are mainly for the support of the Group in its day-to-day operations. They are recurring transactions of a revenue or trading nature that are likely to occur with some degree of frequency and which may arise at any time and from time to time.

These transactions may be constrained by the time-sensitive, frequent nature and confidentiality of such transactions, and it may be impractical to seek shareholders' approval on a case-by-case basis before entering into the Recurrent Related Party Transactions. As such, the Board of Directors is seeking shareholders' mandates pursuant to Paragraph 10.09 of the Listing

Requirements for the Recurrent Related Party Transactions described in Section 2.3 above to allow the Group to enter into such Recurrent Related Party Transactions which will be made or made at an arm's length basis on the transaction price and on normal commercial terms which are not more favourable to the Related Parties than those generally available to the public and are not to the detriment of the minority shareholders of the Company and which are not prejudicial to the interest of the shareholders.

The sales to the Related Parties benefit the Prestar Group as they contribute to the Prestar Group's revenue and profitability.

The rental of the warehouse from the Related Party benefits Prestar Group due to its proximity to the current office.

The acquisitions from Related Parties benefit Prestar Group as they allow the Group to be more competitive in terms of product pricing and response time in the steel-related sector and create an extensive network of marketing, distribution, and manufacturing operations for the Group. These upstream and downstream linkages will help to reduce inventory costs, increase availability and fulfil customer demands, improve asset allocation, minimise inventory lead time, and better utilise resources.

By obtaining the shareholders' approval on the Proposed Renewal of Shareholders' Mandate and Proposed New Shareholders' Mandate and the renewal of the same on an annual basis, the necessity to make announcements to Bursa Malaysia Securities and to convene separate general meetings from time to time to seek shareholders' approval as and when such Recurrent Related Party Transactions occur would not arise. The Proposed Renewal of Shareholders' Mandate and Proposed New Shareholders' Mandate, if approved, would result in substantial savings of administrative time, inconvenience, costs and expenses for the Company in that it would dispense with the need for the Company to convene shareholders' meetings to approve the Recurrent Related Party Transactions which are of a recurring nature. It would also enable the Group to meet its corporate objectives and realise business opportunities, as and when they become available to the Group, in a more timely and effective way.

2.6 Effects of the Proposed Renewal of Shareholders' Mandate and Proposed New Shareholders' Mandate

The Proposed Renewal of Shareholders' Mandate and Proposed New Shareholders' Mandate will not have any impact on the share capital, NA, or EPS of the Prestar Group.

2.7 Condition of the Proposed Renewal of Shareholders' Mandate and Proposed New Shareholders' Mandate

The Proposed Renewal of Shareholders' Mandate and Proposed New Shareholders' Mandate are conditional upon the approval of the shareholders of Prestar to be obtained at the forthcoming AGM of the Company.

2.8 Disclosure and review procedures

In order to ensure that such Recurrent Related Party Transactions are conducted at an arm's length basis and on the Group's normal commercial terms consistent with the Group's usual business practices and policies, which are generally not more favourable to the Related Parties than those extended to unrelated third parties and are not to the detriment of the minority shareholders, the Audit Committee and management will ensure that the transactions with the Related Parties will only be entered into after taking into account the pricing, level of service, quality of product and other related factors.

The Board will implement the following review procedures prior to the entering of any Recurrent Related Party Transactions, which are supplemented to the existing internal procedures for general transactions:

- (i) An updated list of Related Parties will be circulated to the management of the subsidiaries of Prestar to notify that all Recurrent Related Party Transactions are required to be undertaken at an arm's length basis and on normal commercial terms and on terms not more favourable to the Related Parties than those generally available to the public and are not to the detriment of the minority shareholders.
- (ii) The Board of Directors and the Audit Committee have reviewed the procedures and shall continue to review the procedures as and when required.
- (iii) At least two (2) other contemporaneous transactions with unrelated third parties for similar products and/or quantities will be used as a comparison, wherever possible for determining whether the price and terms offered by/to the Related Parties are fair and reasonable as compared with those offered by/to unrelated third parties. In the event that quotation or comparative pricing from unrelated third parties cannot be obtained, the transaction price will be based on prevailing market rates/prices that are agreed upon under similar commercial terms for transactions with unrelated third parties, business practices and policies and on terms which are generally in line with industrial norms and is not detrimental to the Group and the minority shareholders. Other factors considered for evaluation are reliability in the supply and delivery and quality of materials or goods and services.
- (iv) Prestar's subsidiaries will obtain quotations from third parties in order to compare quotations from Related Parties and will make purchases from the parties (whether they are third parties or Related Parties) that offer the lowest quotations. Although the Group also sources similar products and services from third parties, the Board of Directors is of the view that these close business relationships with the Related Parties allow the Group to be more competitive in terms of product pricing and response time in the steel-related sector and creates an extensive network of marketing, distribution and manufacturing operations for the Group. These upstream and downstream linkages will help to reduce inventory costs, increase availability and fulfil customer demands, improve asset allocation, minimise inventory lead time, and better utilise resources.
- (v) There is no specific threshold for approval of Recurrent Related Party Transactions. All Recurrent Related Party Transactions are reviewed and authorised by personnel of at least managerial level, provided always that such personnel have no interest in the transactions and the said transactions have been approved pursuant to the shareholders' mandate obtained at an AGM for Recurrent Related Party Transactions.

The Audit Committee will review and ascertain whether the guidelines and procedures established to monitor Recurrent Related Party Transactions have been complied with at least once a year.

Approval for the shareholders' mandate will be sought for renewal at each subsequent AGM of the Company following a review by the Audit Committee of its continued application to the Recurrent Related Party Transactions.

In addition, where any Director has an interest (direct or indirect) in any related party transactions, such Director (or his/her alternate, where applicable) shall abstain from voting on the matter and deliberating at Board meetings in respect of related party transactions in which he/she is interested.

In accordance with Section 3.1.5 of Practice Note No. 12 of the Listing Requirements, disclosure has been made in the Annual Report 2024 of the Company of the actual breakdown of the aggregate value of the Recurrent Related Party Transactions undertaken pursuant to the Shareholders' Mandate during the financial year ended 31 December 2024. Disclosure will also be made in the annual reports for subsequent financial years during which such mandates remain in force.

2.9 Statement by the Audit Committee

The Audit Committee has reviewed the procedures and terms of the Proposed Renewal of Shareholders' Mandate and Proposed New Shareholders' Mandate and is of the view that the review procedures for Recurrent Related Party Transactions, as well as the annual review to be made by the Audit Committee in relation thereto, are sufficient to ensure that Recurrent Related Party Transactions are usually made at arms' length and in accordance with the Group's normal commercial terms, which is not more favourable to the Related Parties than those generally available to the public and hence, will normally not be detrimental to the minority shareholders or disadvantageous to the Group.

In addition, the Audit Committee is of the opinion that the Group has in place adequate procedures and processes to monitor, track, and identify the Recurrent Related Party Transactions in a timely and orderly manner, and the frequency of review of these procedures and processes is carried out annually.
