STATEMENT IN RELATION TO PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

1. INTRODUCTION

On 3 April 2019, the Board announced the Company's intention to seek the shareholders' approval for the Proposed Renewal of Share Buy-Back Authority. The existing authority for share buy-back which was approved by the shareholders at an AGM held on 31 May 2018, shall in accordance with the Listing Requirements, lapse at the conclusion of the forthcoming AGM, unless renewal is obtained from the shareholders of Prestar at the said AGM.

The purpose of this statement is to provide you with the relevant information in relation to the Proposed Renewal of Share Buy-Back Authority and to seek your approval for the ordinary resolution to be tabled at the forthcoming AGM.

2. PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

2.1 Details of the Proposed Renewal of Share Buy-Back Authority

The Board of Directors seeks the approval of the shareholders for the renewal of the authority to purchase or hold from time to time and at any time up to ten per centum (10%) of the total number of issued Shares. In compliance with Section 127 of the Act and any prevailing laws, rules, regulations, orders, guidelines and requirements issued by the relevant authorities, Prestar is allowed to purchase its own shares on Bursa Securities.

As at 29 March 2019, the total number of Shares issued by the Company is 204,830,530 Shares. As such, the maximum number of Prestar Shares which may be purchased and/or held by the Company will be not more than 20,483,053 Prestar Shares based on the total number of issued Shares as at 29 March 2019, the amount of which includes 9,126,800 treasury shares.

The authority from shareholders, if renewed, shall be effective upon the passing of the ordinary resolution for the Proposed Renewal of Share Buy-Back Authority until:-

- (a) the conclusion of the next AGM of the Company following the general meeting, at which such resolution was passed, at which time it will lapse, unless by ordinary resolution passed at that meeting, the authority is renewed, either unconditionally or subject to conditions;
- (b) the expiration of the period within which the next AGM after that date is required by law to be held; or
- (c) revoked or varied by ordinary resolution passed by the shareholders of the Company in a general meeting,

whichever occurs first ("**Proposed Authorised Period**").

2.2 Sources of funds

The Proposed Renewal of Share Buy-Back Authority will allow the Board of Directors to exercise the power of the Company to purchase and/or hold its own shares at any time within the Proposed Authorised Period using the internal funds of the Company and/or external borrowings. The amount of internally generated funds and/or external borrowings to be utilised will only be determined later depending on the availability of internally generated funds, the repayment capabilities, the actual number of Prestar Shares to be purchased and other relevant cost factors. Based on the audited financial statements of the Prestar Group for the financial year ended 31 December 2018, the Group has a net cash and cash equivalent of RM18,366,970.00.

The maximum amount of funds to be utilised for the Proposed Renewal of Share Buy-Back Authority shall not exceed the retained profits of the Company based on the latest audited and unaudited financial statements. Based on the latest audited financial statements of Prestar for the financial year ended 31 December 2018, the retained profits were RM12,451,832.00. Based on the latest unaudited financial statements of Prestar for the three (3) months period ended 31 March 2019, the retained profits were RM12,736,046.00. In accordance with Section 127 of the Act and any prevailing laws, rules, regulations, orders, guidelines and requirements issued by the relevant authorities, the number of Shares to be purchased and the timing of the purchase will depend on the market conditions, amount of funds and financial resources available to the Group.

2.3 Public shareholding spread

As at 29 March 2019, the public shareholding spread of the Company was 39.10%. The public shareholding spread is expected to be reduced to 35.59% assuming the Proposed Renewal of Share Buy-Back Authority is implemented in full and all the Prestar Shares so purchased are cancelled. The Company will not undertake any share buy-back if that will result in the Company being in breach of Paragraph 8.02(1) of the Listing Requirements which requires the Company to maintain a shareholding spread of at least 25% of its total number of listed shares (excluding treasury shares) or such lower percentage of shareholding spread as may be allowed by Bursa Securities in the hands of public shareholders.

2.4 Treatment of purchased Shares

Section 127(4) of the Act allows the Company to cancel the purchased Shares, to retain the purchased Shares as treasury shares or a combination of both. Shares that are purchased by the Company shall be deemed to be cancelled immediately on purchase unless it is held in treasury.

If such purchased Shares are held as treasury shares, the Board may:-

- (a) distribute the Shares as share dividends to shareholders;
- (b) resell the Shares or any of the Shares in accordance with the relevant rules of Bursa Securities;
- (c) transfer the Shares, or any of the Shares for the purposes of or under an employees' share scheme or such other purpose as allowed under the Act;
- (d) transfer the Shares, or any of the Shares as purchase consideration; or
- (e) cancel the Shares or any of the Shares.

If such purchased Shares are held as treasury shares, the rights attached to them as to voting, dividends and participation in other distributions and otherwise are suspended. In addition, the treasury shares shall not be taken into account in calculating the number or percentage of Shares or of a class of shares in the Company for any purpose including, without limiting the generality of the provisions in the Act or the Listing Requirements on substantial and major shareholding, takeovers, notices, the requisitioning of meetings, the quorum for a meeting and the result of a vote on resolutions at a meeting of the shareholders.

Where treasury shares are distributed as share dividends, the costs of the Shares on the original purchase shall be applied in the reduction of the funds otherwise available for distribution as dividends.

Where the Shares so purchased are cancelled or to cancel any treasury shares, the costs of the Shares shall be applied in the reduction of the profits otherwise available for distribution as dividends. The issued capital of the Company shall be diminished by the Shares so cancelled.

The Prestar Shares purchased and retained by Prestar as treasury shares can only be resold at a price which is:

- (i) not less than the weighted average market price for the Prestar Shares for the five (5) market days immediately before the resale or transfer; or
- (ii) at a discount of not more than 5% to the weighted average market price for the Prestar Shares for the five (5) market days immediately before the resale or transfer provided that:-
 - (a) the resale or transfer takes place not earlier than thirty (30) days from the date of purchase; and
 - (b) the resale or transfer price is not less than the cost of purchase of the Prestar Shares being resold or transferred.

In accordance with Paragraph 12.26 of the Listing Requirements, Prestar may purchase its own shares in odd lots, i.e. any number of its own shares which is less than the number of shares prescribed by Bursa Securities as a board lot through direct business transaction or in any other manner as may be approved by Bursa Securities in accordance with such requirements as may be prescribed or imposed by Bursa Securities.

2.5 Rationale for the Proposed Renewal of Share Buy-Back Authority

The Proposed Renewal of Share Buy-Back Authority is expected to potentially benefit the Company and its shareholders in the following manners:-

- It will provide the Company the option to return its surplus financial resources to its shareholders.
- The Company is expected to stabilise the supply and demand of the Shares in the open market and thereby supporting its fundamental values.
- If the purchased Shares are cancelled, it would enhance the EPS of the Company and thereby long-term and genuine investors are expected to enjoy a corresponding increase in the value of their investments in the Company.
- As permitted under Section 127(4) of the Act, the Shares bought back may be held as treasury shares and resold on Bursa Securities with potential gain without affecting the total number of issued Shares. Alternatively, the Shares so purchased can be distributed as share dividends to reward the shareholders of the Company, or be utilised as purchase

consideration by the Company in corporate transactions such as acquisition of lands/properties/assets, thereby reducing the financial outflow and/or preserve the working capital of the Company.

2.6 Potential advantages and disadvantages of the Proposed Renewal of Share Buy-Back Authority

The potential advantages of the Proposed Renewal of Share Buy-Back Authority to the Company and its shareholders are as follows:-

- allows the Company to take preventive measures against speculation particularly when its Shares are undervalued;
- it will reduce the effects of the volatile fluctuation of the prices of Shares in the share market as well as to protect investors' confidence in Prestar; and
- allows the Company flexibility in attaining its desired capital structure.

The potential disadvantages of the Proposed Renewal of Share Buy-Back Authority to the Company and its shareholders are as follows:-

- it will reduce the financial resources of the Group and may result in the Group foregoing better investment opportunities that may emerge in future; and
- as the Proposed Renewal of Share Buy-Back Authority can only be made out of retained profits of the Company, it may result in the reduction of financial resources available for distribution to shareholders in the immediate future.

Nevertheless, the Board of Directors will be mindful of the interests of Prestar and its shareholders in implementing the Proposed Renewal of Share Buy-Back Authority.

2.7 Effects of the Proposed Renewal of Share Buy-Back Authority

On the assumption that the Proposed Renewal of Share Buy-Back Authority is implemented in full by Prestar, the effects of the Proposed Renewal of Share Buy-Back Authority on the share capital, NA, working capital and earnings of Prestar are set out below:-

2.7.1 Share capital

The effect of the Proposed Renewal of Share Buy-Back Authority on the share capital of Prestar will depend on whether the Shares purchased are cancelled or retained as treasury shares.

In the event that all the Prestar Shares purchased are to be cancelled, the effect of the Proposed Renewal of Share Buy-Back Authority on the total number of issued Shares would be as follows:-

	No. of Prestar Shares	%
Total number of issued Shares as at 29 March 2019	^(*) 204,830,530	100.00
Less: Cancellation of all purchased Shares	^(#) (16,326,800)	7.97
Total number of issued Shares upon completion of the Proposed Renewal of Share Buy-Back Authority	188,503,730	92.03

However, the Proposed Renewal of Share Buy-Back Authority will have no effect on the total number of issued Shares if all the Prestar Shares purchased are to be retained

as treasury shares but the rights attaching to them as to voting, dividends and participation in other distributions and otherwise are suspended.

Note:-

** The total number of issued Shares stated above is inclusive of the treasury shares held by the Company. As at 29 March 2019, the number of Prestar Shares held as treasury shares are 9,126,800. None of them are cancelled.*

Estimated maximum number of Prestar Shares can be purchased in compliance with Paragraph 12.10(1) of the Listing Requirements and the Code. The number of Prestar Shares computed is based on retained profits of the Company as at 31 December 2018 net off existing costs of treasury shares held of RM7,719,722.00 and taking into account of the five (5)-day weighted average market price of Prestar Shares for the period up to 29 March 2019 of RM0.67 per Prestar Share.

2.7.2 NA

The Proposed Renewal of Share Buy-Back Authority is likely to reduce the consolidated NA per share of the Group if the purchase price exceeds the NA per share of the Group at the time of purchase, and conversely will increase the NA per share of the Group if the purchase price is less than the NA per share of the Group at the time of purchase.

If all the Prestar Shares purchased were cancelled, the Proposed Renewal of Share Buy-Back Authority would reduce the NA per share of the Group when the purchase price exceeds the NA per share at the relevant point in time, and vice-versa.

For Shares so purchased which are kept as treasury shares, upon resale, the NA per share of the Group would increase assuming that a gain has been realised or decrease if a loss is realised. If the treasury shares are distributed as share dividends, the NA of the Group would decrease by the cost of the treasury shares.

2.7.3 Working capital

The Proposed Renewal of Share Buy-Back Authority is likely to reduce the funds available for working capital purposes of the Group, the quantum of which will depend on the purchase price of the Shares and the actual number of Shares purchased and any associated costs incurred in the purchase.

2.7.4 Earnings

The effect of the Proposed Renewal of Share Buy-Back Authority on the EPS of the Group would depend on the number of Shares purchased and purchase price of the Shares. The effective reduction in the total number of issued Shares pursuant to the Proposed Renewal of Share Buy-Back Authority may generally, all else being equal, have a positive impact on the EPS of the Group.

2.8 Implication of the Code

Under the Code, a Director and any person acting in concert with him or a relevant shareholder will be required to make a mandatory general offer for the remaining Shares not already owned by him/them if his/their stake in the Company is increased to beyond 33% or if his/their existing shareholding is between 33% and 50% and exceeds by another 2% in any six (6) months period.

It is the intention of Prestar to implement the Proposed Renewal of Share Buy-Back Authority in a manner that will not result in any of the shareholders of Prestar having to undertake a mandatory offer pursuant to the Code.

2.9 Purchases, resale, transfer or cancellation of treasury shares made in the preceding twelve (12) months

As at 29 March 2019, the Company held a total of 9,126,800 treasury shares. There is no resale, transfer and cancellation of treasury shares in the preceding twelve (12) months up to 29 March 2019.

The details of the Shares purchased by the Company in the preceding twelve (12) months up to 29 March 2019 are as follows:-

The purpose of this circular is to provide you with the relevant information in relation to the Proposed Renewal of Shareholders' Mandate and Proposed New Shareholders' Mandate and to seek your approval for the ordinary resolutions to be tabled at the forthcoming AGM.

2. PROPOSED RENEWAL OF SHAREHOLDERS' MANDATE AND PROPOSED NEW SHAREHOLDERS' MANDATE

At the Company's AGM held on 31 May 2018, the Company had obtained Shareholders' Mandate. This approval shall, in accordance with the Listing Requirements, lapse at the conclusion of the forthcoming AGM which has been scheduled to be held on 30 May 2019 unless the approval is renewed.

Prestar is seeking approval from the shareholders for the Proposed Renewal of Shareholders' Mandate and Proposed New Shareholders' Mandate which will allow Prestar Group, in their normal course of business, to enter into the categories of Recurrent Related Party Transactions referred to in the ensuing sections provided that such transactions, are made at arms' length basis and based on Prestar Group's normal commercial terms which are not more favourable to the Related Parties than those generally available to the public and not detrimental to the minority shareholders.

- (i) the transactions are in the ordinary course of business and are on terms not more favourable to the Related Party than those generally available to the public;
- (ii) the shareholders' mandate is subject to annual renewal and disclosure is made in the annual report of the aggregate value of transactions conducted pursuant to the shareholders' mandate during the financial year where the aggregate value is equal to or more than the threshold prescribed under Paragraph 10.09(1) of the Listing Requirements;
- (iii) the Company's circular to shareholders for the shareholders' mandate includes the information as may be prescribed by Bursa Securities. The draft circular must be submitted to Bursa Securities together with a checklist showing compliance with such information;

The Recurrent Related Party Transactions will also be subject to the review procedures as set out in Section 2.8.

The Proposed Renewal of Shareholders' Mandate and Proposed New Shareholders' Mandate are subject to annual renewal. The Proposed Renewal of Shareholders' Mandate and Proposed New Shareholders' Mandate, if approved, will take effect from the date of the passing of the ordinary resolutions proposed at the forthcoming AGM and shall apply until:

whichever is the earlier.

The Proposed Renewal of Shareholders' Mandate and Proposed New Shareholders' Mandate shall apply in respect of the Recurrent Related Party Transactions entered as stipulated in the ensuing sections. Note:

@ There is an option to renew the tenancy agreement for a further period of one (1) year from the expiry date.

2.4 Outstanding Recurrent Related Party Transactions receivables

There is no amount due and owing to the Group by its Related Parties pursuant to the Recurrent Related Party Transactions, as such the disclosure as required under Paragraphs 16A and 16B in the Annexure PN12-A of the Listing Requirements are not applicable.

2.5 Rationale for and benefit to Prestar of the Proposed Renewal of Shareholders' Mandate and Proposed New Shareholders' Mandate

The Recurrent Related Party Transactions entered or to be entered into by the Group with respect to which the Proposed Renewal of Shareholders' Mandate and Proposed New Shareholders' Mandate are sought for, are those which will be carried out in the ordinary course of business and are mainly for the support of the Group in its day-to-day operations. They are recurring transactions of a revenue or trading nature which are likely to occur with some degree of frequency and which may arise at any time and from time to time.

These transactions may be constrained by the time-sensitive, frequent nature and confidentiality of such transactions, and it may be impractical to seek shareholders' approval on a case-by-case basis before entering into the Recurrent Related Party Transactions. As such, the Board of Directors is seeking a shareholders' mandate pursuant to Paragraph 10.09 of the Listing Requirements for the Recurrent Related Party Transactions described in Section 2.3 above to allow the Group to enter into such Recurrent Related Party Transactions which will be made or made at an arm's length basis and on normal commercial terms which are not more favourable to the Related Parties than those generally available to the public and are not to the detriment of the minority shareholders of the Company and which are not prejudicial to the interest of the shareholders.

The sale to the Related Parties benefits Prestar Group as they contribute to the Prestar Group's revenue and profitability.

The rental of warehouse from Related Party benefits Prestar Group due to its proximity location to the current office.

The acquisition from Related Parties benefits Prestar Group as it allows the Group to be more competitive in terms of product pricing and response time in the steel related sector and creates an extensive network of marketing, distribution and manufacturing operations for the Group. These upstream and downstream linkages will help to reduce inventory costs, increase

availability and fulfil customer demands, improve asset allocation, reduce inventory lead time and better utilisation of resources.

By obtaining the shareholders' approval on the Proposed Renewal of Shareholders' Mandate and Proposed New Shareholders' Mandate and the renewal of the same on an annual basis, the necessity to make announcements to Bursa Securities and to convene separate general meetings from time to time to seek shareholders' approval as and when such Recurrent Related Party Transactions occur would not arise. The Proposed Renewal of Shareholders' Mandate and Proposed New Shareholders' Mandate, if approved, would result in substantial savings of administrative time, inconvenience, costs and expenses for the Company in that it would dispense with the need for the Company to convene shareholders' meetings to approve the Recurrent Related Party Transactions which are of a recurring nature. It would also enable the Group to meet its corporate objectives and realise business opportunities, as and when they become available to the Group, in a more timely and effective way.

2.6 Effects of the Proposed Renewal of Shareholders' Mandate and Proposed New Shareholders' Mandate

The Proposed Renewal of Shareholders' Mandate and Proposed New Shareholders' Mandate will not have any impact on the share capital, NA or EPS of the Prestar Group.

2.7 Condition of the Proposed Renewal of Shareholders' Mandate and Proposed New Shareholders' Mandate

The Proposed Renewal of Shareholders' Mandate and Proposed New Shareholders' Mandate are conditional upon the approval of the shareholders of Prestar to be obtained at the forthcoming AGM.

2.8 Disclosure and review procedures

To ensure that such Recurrent Related Party Transactions are conducted at an arm's length basis and on the Group's normal commercial terms consistent with the Group's usual business practices and policies, which are generally not more favourable to the Related Parties than those extended to unrelated third parties and are not to the detriment of the minority shareholders, the Audit Committee and Management will ensure that the transactions with the Related Parties will only be entered into after taking into account the pricing, level of service, quality of product and other related factors.

The Board will implement the following review procedures prior to the entering of any Recurrent Related Party Transactions which are supplemented to the existing internal procedures for general transactions:

- (i) An updated list of Related Parties will be circulated to Management of the subsidiaries of Prestar to notify that all Recurrent Related Party Transactions are required to be undertaken at an arm's length basis and on normal commercial terms and on terms not more favourable to the Related Parties than those generally available to the public and are not to the detriment of the minority shareholders.
- (ii) The internal audit plan shall incorporate a review of the Recurrent Related Party Transactions entered into pursuant to the shareholders' mandate to ensure that the relevant approvals have been obtained and that the procedures in respect of the Recurrent Related Party Transactions have been adhered to. The Board of Directors and Audit Committee shall review the internal audit reports to ascertain that the review procedures established to monitor Recurrent Related Party Transactions have been complied with.

- (iii) The Board of Directors and the Audit Committee have reviewed the procedures and shall continue to review the procedures as and when required.
- (iv) At least two (2) other contemporaneous transactions with unrelated third parties for similar products and/or quantities will be used as comparison, wherever possible for determining the price and terms offered by/to the Related Parties are fair and reasonable as compared with those offered by unrelated third parties. In the event that quotation or comparative pricing from unrelated third parties cannot be obtained, the transaction price will be based on prevailing market rates/prices that are agreed upon under similar commercial terms for transactions with unrelated third parties, business practices and policies and on terms which are generally in line with industrial norms and is not detrimental to the Group and the minority shareholders. Other factors taken into considerations for evaluation purposes will be reliability to supply and delivery, quality of materials or goods and services.
- (v) Prestar's subsidiaries will obtain quotations from third parties in order to compare quotations from Related Parties and will make purchases from the parties (whether they are third parties or Related Parties) which offer the lowest quotations. Although the Group also sources similar products and services from third parties, the Board of Directors is of the view that these close business relationships with the Related Parties allow the Group to be more competitive in terms of product pricing and response time in the steel related sector and creates an extensive network of marketing, distribution and manufacturing operations for the Group. These upstream and downstream linkages will help to reduce inventory costs, increase availability and fulfil customer demands, improve asset allocation, reduce inventory lead time and better utilisation of resources.
- (vi) There is no specific threshold for approval of Recurrent Related Party Transactions. All Recurrent Related Party Transactions are reviewed and authorised by personnel of at least managerial level, provided always that such personnel have no interest in the transactions and the said transactions have been approved pursuant to the shareholders' mandate obtained at an AGM for Recurrent Related Party Transactions.

The Audit Committee has the overall responsibility of determining whether the procedures for reviewing all Recurrent Related Party Transactions are appropriate. The Audit Committee will review and ascertain whether the guidelines and procedures established to monitor Recurrent Related Party Transactions have been complied with at least once a year.

Approval for the shareholders' mandate will be sought for the renewal at each subsequent AGM subject to a satisfactory review by the Audit Committee of its continued application to the Recurrent Related Party Transactions.

In addition, where any Director has an interest (direct or indirect) in any related party transactions, such Director (or his alternate, where applicable) shall abstain from voting on the matter and deliberating at Board meetings in respect of related party transactions in which he is interested.

In accordance with Section 3.1.5 of Practice Note No. 12 of the Listing Requirements, disclosure has been made in the Annual Report 2018 of the Company of the actual breakdown of the aggregate value of the Recurrent Related Party Transactions undertaken pursuant to the Shareholders' Mandate during the financial year ended 31 December 2018. Disclosure will also be made in the annual reports for subsequent financial years during which such mandates remain in force.

2.9 Statement by the Audit Committee

The Audit Committee has reviewed the procedures and terms of the Proposed Renewal of Shareholders' Mandate and Proposed New Shareholders' Mandate and is satisfied that the review procedures for Recurrent Related Party Transactions, as well as the annual review to be made by the Audit Committee in relation thereto, are sufficient to ensure that Recurrent Related Party Transactions will be made at arms' length and in accordance with the Group's normal commercial terms, which is not more favourable to the Related Parties than those generally available to the public and hence, will not be detrimental to the minority shareholders or disadvantageous to the Group.

In addition, the Audit Committee is of the opinion that the Group has in place adequate procedures and processes to monitor, track and identify the Recurrent Related Party Transactions in a timely and orderly manner, and the frequency of review of these procedures and processes are carried out annually.
